

## Recycle your Polyethylene Pipe offcuts and Fittings Here!

Help contribute to the circular economy and minimise waste going to landfill. PE pipes and fittings are **100% recyclable** and can be reprocessed and manufactured into new pipes.

Yes Please!	No Thanks
<ul style="list-style-type: none"> <li>• PE Pipes and PE fittings</li> <li>• PE Offcuts</li> <li>• Any size of PE pipe, fitting or offcut is OK</li> <li>• Minimal dust and dirt are OK</li> </ul>	<ul style="list-style-type: none"> <li>• PE pipes or offcuts with copper and other embedded metals</li> <li>• Fittings with metal attachments</li> <li>• Bio-contaminated pipes and offcuts</li> <li>• Mud and stones</li> <li>• Screws or Nails</li> <li>• General wastes</li> <li>• Non-PE materials</li> </ul>
	

If your offcuts and fittings are slightly dirty, a light hosing should remove the dust and dirt. Once they are cleaned up, we can take care of the rest.
