

Recycle your PVC Pipe offcuts and Fittings Here!

Help contribute further to the circular economy and minimise waste going to landfill. PVC non pressure and pressure pipes and fittings are **100% recyclable** and can be reprocessed and manufactured into new pipes.

Yes Please!	No Thanks
<ul style="list-style-type: none"> • PVC non-pressure and pressure clean offcuts* • PVC non-pressure and pressure clean fittings* <p>Note: Solvent cement on pipe and fittings is ok</p> <p>*This includes PVC-U, PVC-M and PVC-O</p>	<ul style="list-style-type: none"> • Rubber rings • Mud and stones • Marking tape/strapping • Screws or nails • Fibreglass wrapped fittings • General Waste • Other pipe materials* <p>Note: Heavily soiled product cannot be accepted due to Health Regulations</p> <p>*Polypropylene (Traps), Hot and Cold Systems (PEX, PB), Gas Systems (PEX, Composites), Polyethylene pipes and fittings</p>
	

If your offcuts and fittings are slightly dirty, a light hosing should remove the dust and dirt. Once they are cleaned up, we can take care of the rest.
