

NEW SERVICE OFFER

Iplex Civil: delivering what matters to customers

Our service is designed to meet your needs and keep your jobs moving.

Orders taken until 5pm

Our team can take your orders from 7am until 5pm for next day delivery, including 12-metre PE lengths.

Flexible and fast delivery options

We offer priority early morning deliveries and flexible delivery times. A bullet service* is also available for urgent same day deliveries.

* Check with your sales representative for more information.

Collect and go

Our new Customer Collects area offers a quick and easy priority pick up option.

Full range in stock

We stock the most extensive range of civil pipeline related products, providing you a solution to your every need.

Expert Civil team

Our experienced team are on hand and ready to support you every step of the way from design and ordering, through to onsite support.

Call our experienced Iplex Civil team today on 13 10 86 or email info@iplexpipelines.com.au to make an enquiry.
